Joint M.Div/M.S.W. Program in Ministry and Social Work

A joint program leading to the Master of Divinity degree from the Seminary and the Master of Social Work degree from Rutgers University’s Graduate School of Social Work is available for students who expect to enter forms of ministry requiring competence both in the disciplines of theology and in those associated with social work. M.Div students interested in the joint program should inquire about the program early during their junior year and must apply no later than January of their middler year. The Seminary recommends students to the program but makes no guarantee that applications to Rutgers University will be successful. In consultation with the registrar, the M.Div. requirements are completed as usual in the first three years. During the senior year a total of 12 credits of approved coursework taken at Rutgers University will be credited toward the Seminary M.Div. degree, while approved Seminary courses are credited toward the M.S.W. (The Seminary will cover the costs of 6 credits for each semester taken at Rutgers. The Seminary will not cover any additional credits taken at Rutgers during the two semesters of the senior year.) Immediately following the granting of the M.Div. degree, the student enters the summer session at the Rutgers Graduate School of Social Work with advanced standing and may complete all requirements for the M.S.W. earlier than might otherwise be the case, ordinarily by the end of the fourth academic year. Since students end their relationship with the Seminary upon receipt of the M.Div., neither Seminary housing nor financial aid is available during the fourth year of study.

Applications for this program should be filed with the Seminary registrar no later than February 15 of the middler year of study. It is a requirement that all PTS students establish New Jersey residency as required by Rutgers for NJ tuition rate. Application deadline for Rutgers online registration is March 1. Extra tuition costs are involved and financial aid is available.

It is preferred that the second placement be done during this time as well. However, the second field education placement can be done in the senior academic year as FE2104 M.S.W. Field Education or FE3104 Elective M.S.W. Field Education. If it is done as a joint placement at a Rutgers authorized site, the student needs to set up supervision at PTS for theological reflection, and forward the Field Education all evaluations done by the MSW program.
